Important. All bulblets offered in this list are not field run, are well cleaned, and all small ones screened out and should be well worth the difference in price asked. Your valued patronage is solicited with full confidence that my stock will please you, and prove to be most satisfactory in every way.

GUARANTEE

I guarantee every variety offered true to name. I exert the greatest care in keeping the stock pure, but cannot assume any responsibility for crops other than to replace any bulb found not true to name, or refund the money received for same.

Here is a fair example of sentiments expressed by my customers from all parts of the world. Dr. H. W. Stevens, Connecticut, writes:

March 31, 1925.

Dear Mr. Anderson:

The bulbs were received in perfect condition, and to tell you I am pleased with them does not do it justice. They were wonderful bulbs, every one of them beyond criticism. As for the extra count, I believe you have overdone it, and are too liberal. If you think I am going to ask for the extra — which you offer, would say that I am not a grafter and feel you have already given me my money's worth, "and then some." I am indeed fortunate to have ordered the most of my stock from you.
